

CHRISTOPHER STEPHEN GALIK

Chancellor's Faculty Excellence Program
Department of Public Administration
School of Public and International Affairs
Campus Box 8102, North Carolina State University
Raleigh, NC 27695-8102
P: 919.513.6011; F: 919.515.7333
csgalik@ncsu.edu
Last Updated: May 21, 2024

Education

Doctor of Philosophy; Forestry and Environmental Resources. North Carolina State University. 2014.
Chair: Erin O. Sills. Dissertation: *Institutional Design and Decision-Maker Response: An Investigation of Environmental Policy and Research*.
Master of Environmental Management; Resource Economics and Policy. Nicholas School of the Environment, Duke University. 2002.
Bachelor of Arts; *cum laude*, Biology. Vassar College. 1999.

Professional Experience

2023-Present	Director <i>Sustainable Futures Initiative, NC State Univ., Raleigh, NC.</i>
2022-Present	Professor <i>Department of Public Administration, NC State Univ., Raleigh, NC.</i>
2022-2023	Interim Chair <i>Department of Public Administration, NC State Univ., Raleigh, NC.</i>
2019-2022	Associate Professor (with tenure) <i>Department of Public Administration, NC State Univ., Raleigh, NC.</i>
2016-2019	Associate Professor (without tenure) <i>Department of Public Administration, NC State Univ., Raleigh, NC.</i>
2006-2016	Research Analyst/Research Coordinator/Senior Policy Associate <i>Nicholas Institute for Environmental Policy Solutions, Duke Univ., Durham, NC.</i>
2003-2006	Environmental Policy Analyst <i>National Association of Home Builders, Washington, D.C.</i>
2002-2003	Research Associate <i>NC State University/U.S. Department of Agriculture, Raleigh, NC.</i>

Conference and Invited Presentations (advised students underlined)

1. **Galik, C.S.** (2024, March). Invited Speaker, Polycentric Governance of Climate-Induced Relocation: The Experience of Three U.S. Communities. Australian Centre for Culture, Environment, Society and Space, University of Wollongong, Wollongong, Australia.
2. **Galik, C.S.** (2023, October). Invited Panelist, Urban Energy Futures: from the Phone to the Phoenix. Envisioning Urban Futures, NC State University, Raleigh, NC.
3. **Galik, C.S.** (2023, October). Invited Speaker, Carbon Accounting in BECCS Value Chains. WS30: Bioenergy in a Net Zero Future, International Energy Association, Lyon, France (remote).
4. **Galik, C.S.** (2022, March). Discussant, Energy Equity: The Distributional Impact, Role of Utility Policies, and Improving Energy Poverty Metrics. Association for Public Policy Analysis and Management Fall Research Conference, Austin, TX.
5. **Galik, C.S.** (2022, March). Invited Panelist, Bioenergy with Carbon Capture and Storage: Sowing the Seeds of a Negative-Carbon Future, Energy Futures Initiative, Washington, D.C.
6. **Galik, C.S.** (2021, October). Invited Moderator, Grid Hardening and Resiliency: Strengthening North Carolina’s Ability to Recover from Natural Disasters, Research Triangle Cleantech Cluster, Raleigh, NC.
7. **Galik, C.S.** (2021, September). Invited Moderator, Extreme Weather and the Grid, NC State University Sustainability Office, Raleigh, NC.
8. **Galik, C.S.** (2021, August). Invited Speaker. Environmental Policy and the Power Sector. Duke University Energy Initiative, Durham, NC.
9. **Galik, C.S.**, & Godlevskaya, D. (2021, June). An evaluation of polycentricity and the climate-induced relocation of U.S. communities. At What Point Managed Retreat? Resilience, Relocation and Climate Justice. The Earth Institute, Columbia University, New York City, NY.
10. **Galik, C.S.** (2021, June). Panelist. Spring Symposium — BECCS: Bioenergy with Carbon Capture and Storage. MIT Energy Initiative, Massachusetts Institute of Technology, Cambridge, MA.
11. **Galik, C.S.**, Godlevskaya, D., & Kaufman, N. (2020, November). The Emissions Implications of Electric Utility Greenhouse Gas Reduction Pledges. Center on Global Energy Policy, School of International and Public Affairs, Columbia University, New York City, NY.
12. **Galik, C.S.** (2020, October). Panelist. Global Change Seminar – Climate Policies and COVID-19, Southeast Climate Adaptation Science Center, Raleigh, NC.
13. **Galik, C.S.** (2020, October). Driving Food, Water, and Energy Solutions. Panelist. Connect: A Series of Research Power Hours. North Carolina State University, Raleigh, NC.
14. **Galik, C.S.** (2020, April-Cancelled). Invited participant, 7th Modeler’s Workshop of the U.S. Department of Energy Bioenergy Technologies Office (DOE BETO), National Renewable Energy Laboratory (NREL), Golden, CO.

15. **Galik, C.S.** (2020, January). The Role of Interest Groups, NGOs, Lobbyists, and PACs in Government. Panelist. North Carolina State University Active Citizenry Series, Raleigh, NC.
16. **Galik, C.S.** (2019, November). An Open Model for Energy Storage Study: Energy Storage Options for North Carolina. Paper presented at the Association for Public Policy Analysis and Management 2019 Fall Research Conference, Denver, CO.
17. **Galik, C.S.** (2019, November). State Energy Storage Studies: From Practice to Research to Practice in a Rapidly Evolving Field (Panel Organizer). The Association for Public Policy Analysis and Management 2019 Fall Research Conference, Denver, CO.

44. **Galik, C. S.** (2009, July). Road-testing of forest offset protocols. Paper presented at Workshop 6 of the EPRI Greenhouse Gas Emissions Offset Policy Dialogue, Washington, D.C.
45. **Galik, C. S., Olander, L. P., & Murray, B. C.** (2008, October). Using FIA data for forest management offsets accounting and monitoring. Presentation at the 2008 FIA Symposium, Park City, UT.

Awarded Funding and Project Experience

Resources for the Future. Bioenergy from Forests Initiative. (PI). 2022-2023. (\$35,000).

United States Department of Agriculture via University of Idaho. Evaluating Policy and Market Barriers to the Use of Forest Biomass for Energy Production in the United States (Subaward PI). 2018. (\$17,882).

North Carolina Policy Collaboratory. Energy Storage Study for North Carolina (J. F. DeCarolis, PI). 2018. (\$108,650)

United States Department of Agriculture. Quantifying the Carbon Implications of Targeted Energy and Sequestration Initiatives. (PI). 2016-2018. (\$199,943).

National Aeronautics and Space Administration (via University of Maryland). Development of Prototype MRV System to Support Carbon Ecomarket Infrastructure in Sonoma County. (Subaward PI). 2014-2015. (\$49,739).

U.S. Forest Service. An Overview of Policy, Political, and Institutional Contexts of European Union (EU) Renewable Energy Policy and Markets. (Subaward PI) 2014. (\$10,000).

United States Department of Agriculture. The Effect of Existing and Novel Policy Options on the Sustainable Development of Regional Bioenergy Systems. (PI). 2012-2015. (\$349,083).

Electric Power Research Institute (via North Carolina State University). An Initial Assessment of Carbon Scores of Selected Woody Feedstock Biomass Systems. (Subaward PI). 2012. (\$18,265).

World Bank. Addressing Non-Permanence in Land Use, Land-Use Change and Forestry Activities under the UNFCCC: An Options Assessment. (B. C. Murray, PI) 2011-2012 (\$107,591).
Southern Forestry Resource Assessment Consortium. Implications of Woody Biomass Utilization in the Southeast United States. (PI). 2011-2015 (\$60,000).
Environmental Defense Fund. Assessment of Biomass Availability in the Southeast United States (PI), 2010-2011 (\$25,000).

Honors and Awards

James E. Swiss Outstanding Teaching Award, Department of Public Administration, North Carolina State University. May 2023.
Outstanding Teacher Award, North Carolina State University. April 2021.
Challenge Coin recipient, North Carolina State University. April 2020.
Innovation/Impact Award co-winner, “Energy Storage Options for North Carolina” report, North Carolina State University Office of Sustainability. April 2019.
Editor's Choice, Climate Policy COP 23: Galik, DeCarolis et al. (2017) offered open-access to correspond with negotiations at the 2017 Bonn Climate Change Conference. November 2017.
Xi Sigma Pi (2014)
Alumni Graduation Speaker, Duke University Nicholas School of the Environment (2011)
Presidential Citation, Society of American Foresters (2009)
Student Graduation Speaker, Duke University Nicholas School of the Environment (2002)
Masters Project Symposium Award, Duke University Nicholas School of the Environment (2002)
Extra Mile Commendation, U.S. Department of State (2001)
Vassar College Graduate Study Fellowship Award (2000-2002)
General and Departmental Honors (Biology), Vassar College (1999)

University Service, Working Groups, and Affiliations

Co-Chair, University Sustainability Council, North Carolina State University (2023-2024)
Member, Executive Leadership Team, Global One Health Academy, North Carolina State University (2023-2024)
Campus-At-Large Representative, North Carolina State University Campus Design Review Panel (2021-2024)
Member, North Carolina State University, University Research Committee (2020-2023)
Member, College of Humanities and Social Sciences, College Research Committee (2020-2023)
Co-Chair, Sustainability Council Academics Working Group, North Carolina State University (2019-2023)
PhD Admissions Committee, Department of Public Administration, North Carolina State University (2018-2023)
Steering Committee Member, Kenan Institute for Engineering, Technology & Science Climate Leaders Program, North Carolina State University (2020-2022)
Interim Director of Graduate Programs, PhD Program, Department of Public Administration, North Carolina State University (Spring/Summer 2020)
Faculty Affiliate, USGS Southeast Climate Adaptation Science Center (2017-Present)
Graduate Faculty, Natural Resources Program, NC State University (2017-Present)
Faculty Affiliate, Center for Environmental and Resource Economic Policy (CEnREP), NC State University (2016-Present)
Member, Renewable Natural Gas Working Group, World Resources Institute (2019-2020).
Member, American Society for Public Administration (2017-2021)
Member, Association for Public Policy Analysis and Management (2014-2016, 2018-Present)
Trillium Sustainability Fellow (2017-Present)
Member, 25x'25 Adaptation Working Group (2011-2013)

Member, Duke University Nicholas School of the Environment Alumni Council. (2009-2012)
Observer, Forest Carbon Standards Committee. (2008-2010)
Member, 25x'25 Carbon Working Group. (2008-2010)
Member, Society of American Foresters Task Force on Climate Change. (2007-2008)
Participant, U.S. Senate-Convened Endangered Species Act Habitat Issue Working Group. (2005-2006)

Teaching

North Carolina State University

PS336 Global Environmental Politics (2019)
PA507 Public Policy Process (2016-2023)
PA517 MPA Capstone (2022-Present)
PA550 Environmental Policy (2017-Present)
PA551 Energy Policy (2018-Present)
PA598 Applied Problem Solving (2018)
PA714 Research Methods and Traditions (2021-Present)
PA798 Qualitative Research Methods (2019-Present)

Duke University

ENV590.75 Applied Environmental Policy Entrepreneurship (Fall 2013-2014; Spring 2016)

Professional Service

Ad-hoc Journal Review

Science; Proceedings of the National Academy of Sciences; Nature Climate Change; Nature Sustainability; Nature Communications; One Earth; Environmental Research Letters; Policy Studies Journal; Climate Policy; Energy; Energy Policy; Energy Research and Social Science; Environmental Science and Technology; Frontiers in Ecology and the Environment; Conservation Letters; Global Change Biology Bioenergy; Interface Focus; Science of the Total Environment; Environmental Science and Policy; Journal of Environmental Management; Ecological Economics; Journal of Public Policy; Mitigation and Adaptation Strategies for Global Change; AAPG Bulletin; Sustainability; Journal of Natural Resource Policy Research; Biomass and Bioenergy; Agricultural Systems; Forest Policy and Economics; Clean Technologies and Environmental Policy; Canadian Journal of Forest Research; Journal of Forestry; Environment, Development, and Sustainability; Ecological Complexity; RTI Press

Miscellaneous Service

Reviewer, Small Business Innovation Research (SBIR)/Small Business Technology Transfer (STTR) Program, National Science Foundation, Washington, D.C. 2022.
Reviewer, "Renewable Natural Gas as a Climate Strategy: Guidance for State Policy." World Resources Institute, Washington, D.C. 2019-2020.
Reviewer, Environment & Sustainability/Development Studies, Routledge/Taylor & Francis, 2018.
Reviewer, "Land Management Practices for Carbon Dioxide Removal and Reliable Sequestration: Proceedings of a Workshop in Brief", The National Academies of Sciences, Engineering, and Medicine, 2018.
Reviewer, 2017 Bioenergy Technologies Office (BETO) Portfolio Peer Review, U.S. Department of Energy, Denver, CO, 2017.
Reviewer, "Breaking the Barriers to a Strong and Clean Economy in the United States." World Resources Institute, Washington, D.C. 2016.
Planning Committee, "Forestry and Agriculture Greenhouse Gas Modeling Forum." The biennial forum's purpose is to convene leading researchers from North America to compare biophysical and economic modeling approaches and empirical analyses of greenhouse gas (GHG) mitigation, climate change impacts, and bioenergy potential in agriculture and forestry. (2016-2023).
